

Honor of Independence

The first president of Uzbekistan Islam Karimov was born on January 30, 2012 with a group of secondary school students and pupils of secondary school No. 154 of the Mirabad district, with the participation of professor Hojiakbar Hamidov and senior teacher Otabek Normatov, faculty of "Humanities" a spiritual-enlightenment event was held. Initially, school principal Nasiba Mirsoatova made a speech and briefed the participants about the work done by architect Karimov. Atabek Normatov, a senior lecturer of the Department of Humanities, spoke about the work done by the President of the Republic of Uzbekistan Islam Karimov for 25 years. Prof. Hojiakbar Hamidov emphasized that the strengthening of the independence of the Republic of Uzbekistan is directly related to the activities of the two leaders. They say that Karimov is the founder of the state independence of Uzbekistan. Mirziyoev said that he is the successor and leader of the reforms that protect the interests of the people. Then they performed some of the dance songs in their creations and made their contribution.
