

History

Ecology and Law Faculty was established on December 30, 2022 based on decision of the President of the Republic of Uzbekistan PD-42 dated on December 10, 2022 “On measures to fundamentally improve the system of training engineers for economic sectors based on innovation and digitalization” and University Managerial Board objectives of 3-protocol dated on July 10, 2022. Nowadays, there are 2 specialized departments and a social science department, which train competitive specialists in the field of ecology and environmental protection, law (land relations and transboundary water problems) and linguistics.
